Rated voltage: + 5 Vdc
Insulation Class: III
Degree of protection: IP X0
Additional information: Type key: where * is any alphanumeric character or any string of alphanumeric characters of any length.

A sample of the product has been tested and found in conformity with EN 60950-1:2001, as shown in the Test Report from Underwriters Laboratories with ref. No. E212053-A1-CB-1 dated 2007-05-30.

Furthermore, the product complies with the national deviations in Denmark.

The certificate has been issued on the basis of CB certificate (CB Test certificate) No. US/11641/UL, issued by Underwriters Laboratories, dated 2007-05-31.

Date of expiry: 2010-12-01

UL International Demko A/S is a body notified to the Member States and Commission of the European Communities according to the provisions of Article 8 of the Low Voltage Directive.

The Manufacturer complies with the Production Surveillance Requirements. Products included in this certificate are allowed to carry the registered approval marks of UL International Demko A/S, or for cables <DEMKO>. The name of UL International Demko A/S can be used in the marketing of the products.

This Statement is only valid for products, which are identical to the tested product, and manufactured at the above-mentioned production site(s). UL International Demko A/S has to be informed in writing about any changes, in accordance with the "UL International Demko A/S Standard Terms and Conditions" for UL International Demko A/S services. The validity of this certificate is shortened if the EU legislation requires re-testing and re-certification, due to new standards or amendments coming into force, before the expiry date.
